

Group Tour Information

When can Tours be Scheduled?

The Donkey Sanctuary offers guided tours May – October. Because of the amount of work to maintain the farm and care for over 80 animals tours are scheduled in one of the following time slots:

- Mondays – 10am to 12pm or 1pm to 3pm
 - Tuesday afternoons – 1pm to 3pm
 - Thursday mornings 10am to 12pm
 - Friday afternoons – 10am to 12pm or 1pm to 3pm
-

Group Sizes

For safety reasons, we allow only 15 people from the same group in the barnyard and interactive learning centre areas at any one time.

If you are visiting with a group of more than 15 people, you can split into 2 or 3 sub groups. Groups can then rotate from donkey interaction in the barnyard and learning centre to the woodland trails and picnic pond area. You are welcome to bring your own activities to do by the pond.

Cost

The cost is \$10 per person.

Minimum group fee is \$80. A receipt can be given for lump sum payments. Please let us know ahead of time.

Exception: Staff assistants and caregivers are admitted free.

Payment Methods

Payment can be made by

- Cash
- Company cheque
- Visa or Master Card

Receipts will be provided. Please note that the DSC is not able to invoice the group.

Accessibility

Donkey Sanctuary of Canada is committed to excellence in serving all customers, including those with disabilities.

Information about accessibility to the DSC's programs, facilities, goods and services is available on the accessibility page of the DSC's website and provided to people who call or email for information.

We have attempted to improve accessibility to the DSC's grounds and facilities where practical and possible, and will strive to provide alternatives in those cases where areas are not accessible to those using assistive devices.

Wheelchairs and walkers are able to navigate the barn lane and paddock with assistance. However, please note the barn lane is rough and to reach the picnic area one must navigate across 50' of lawn. Staff will halter and lead donkeys to areas that are more accessible.

Dogs are welcome in most areas at the Sanctuary. However for health and safety reasons, no service dogs are permitted in the barnyard. The public is informed of this on the DSC website. Dogs may remain in the shade at the Welcome Centre where water is provided.
