The Donkey Sanctuary of Canada

Peace. Calm.
Tranquility.
Quiet afternoons
by the pond.

Just a few of the things you'll experience when you visit.

Come for a visit to The Donkey Sanctuary of Canada, and you'll discover why we chose to call it a sanctuary.

At our Farm, you may be surprised at how much enjoyment you will get from simply observing small herds of donkeys grazing contentedly, enjoying – as is their way – a rather unhurried pace of life. If you choose, you can spend a moment (or several) stroking a donkey's coat. There's also a good chance you'll meet a friendly sheep or two, and an equal chance you may receive a gentle, attention-seeking nudge from an inquisitive goat.

The Sanctuary is 100 acres of tranquility, in which we strive to live in peaceful harmony with the animals we have rescued. It is our heartfelt mission to ensure the animals who come to live out the remainder of their lives on our Farm are surrounded by love, dignity, and the respect they so richly deserve.

Pack a lunch. Spend the day with us.

Oh yes. You'll discover, when you visit, that our pond is a perfect spot for a picnic. And if we may suggest, once you're finished, perhaps you might like a bit of an adventure on our trails, which wind through the Sanctuary's forests and meadows (in other words, you might want to pack your hiking boots, too).

There's also the LongEars Boutique, where you can indulge in a spot of shopping, if you like. Full of all kinds of wonderful donkey and DSC-related nifty items, you're sure to find something to love.

Of course, if you find what you like best is to simply enjoy the calm company of the donkeys – well, that's also just perfectly wonderful.

Who does the DSC help?

The Donkey Sanctuary of Canada is a refuge for donkeys, mules and hinnies who have been neglected or abused, or who can no longer be cared for by their owners. The Donkey Sanctuary rescues the donkey with hooves so long it lives in constant pain and cannot walk. It saves a terrified

mule shivering in a pen in a slaughterhouse. It offers a home to a much-loved donkey whose aging owners can no longer provide adequate care. After years of suffering and neglect, the Sanctuary provides these animals with a welcome and often life-saving peaceful haven.

Our mission.

The Donkey Sanctuary of Canada is a not-for-profit licensed charity. We provide a lifelong home to donkeys, mules and hinnies that are unwanted, neglected or abused. In addition, we provide the DSC Foster Farm Program, the DSC Humane Education Program and the DSC Life Skills Program.

The DSC is open early May to Thanksgiving, Wednesdays & Sundays, from 10:00 am to 4:00 pm. We hope to see you soon.
