Legacy Lane Memorial and Tribute Program

The DSC Legacy Lane Tree Program is a symbol of remembrance, growth, and environmental sustainability, and we invite you to join us in making it a reality. This gracious tree-lined lane will serve as a lasting memorial, a place of reflection, and a testament to the legacies of individuals who have touched our lives.

What your support makes possible

Honouring memories: With each tree planted, the memory of the person you honour with your gift will live on into the future.

Environmental sustainability: Trees play a crucial role in contributing to healthy biodiversity and a healthy ecosystem.

Contributions to the DSC Legacy Lane program will go toward:

- procuring and planting trees of the highest quality
- site preparation and maintenance to ensure the health of the trees
- ongoing care and maintenance of your tree
- placement of a tribute plaque on a ground stake at the base of your tree

Trees can be selected in a variety of sizes, species, and locations. Donation levels: \$1,500, \$3,000, \$5,000.

Red Oak

Sugar Maple

Bur Oak

White Oak

Kentucky Coffeetree
